SASKATOON MEEWASIN

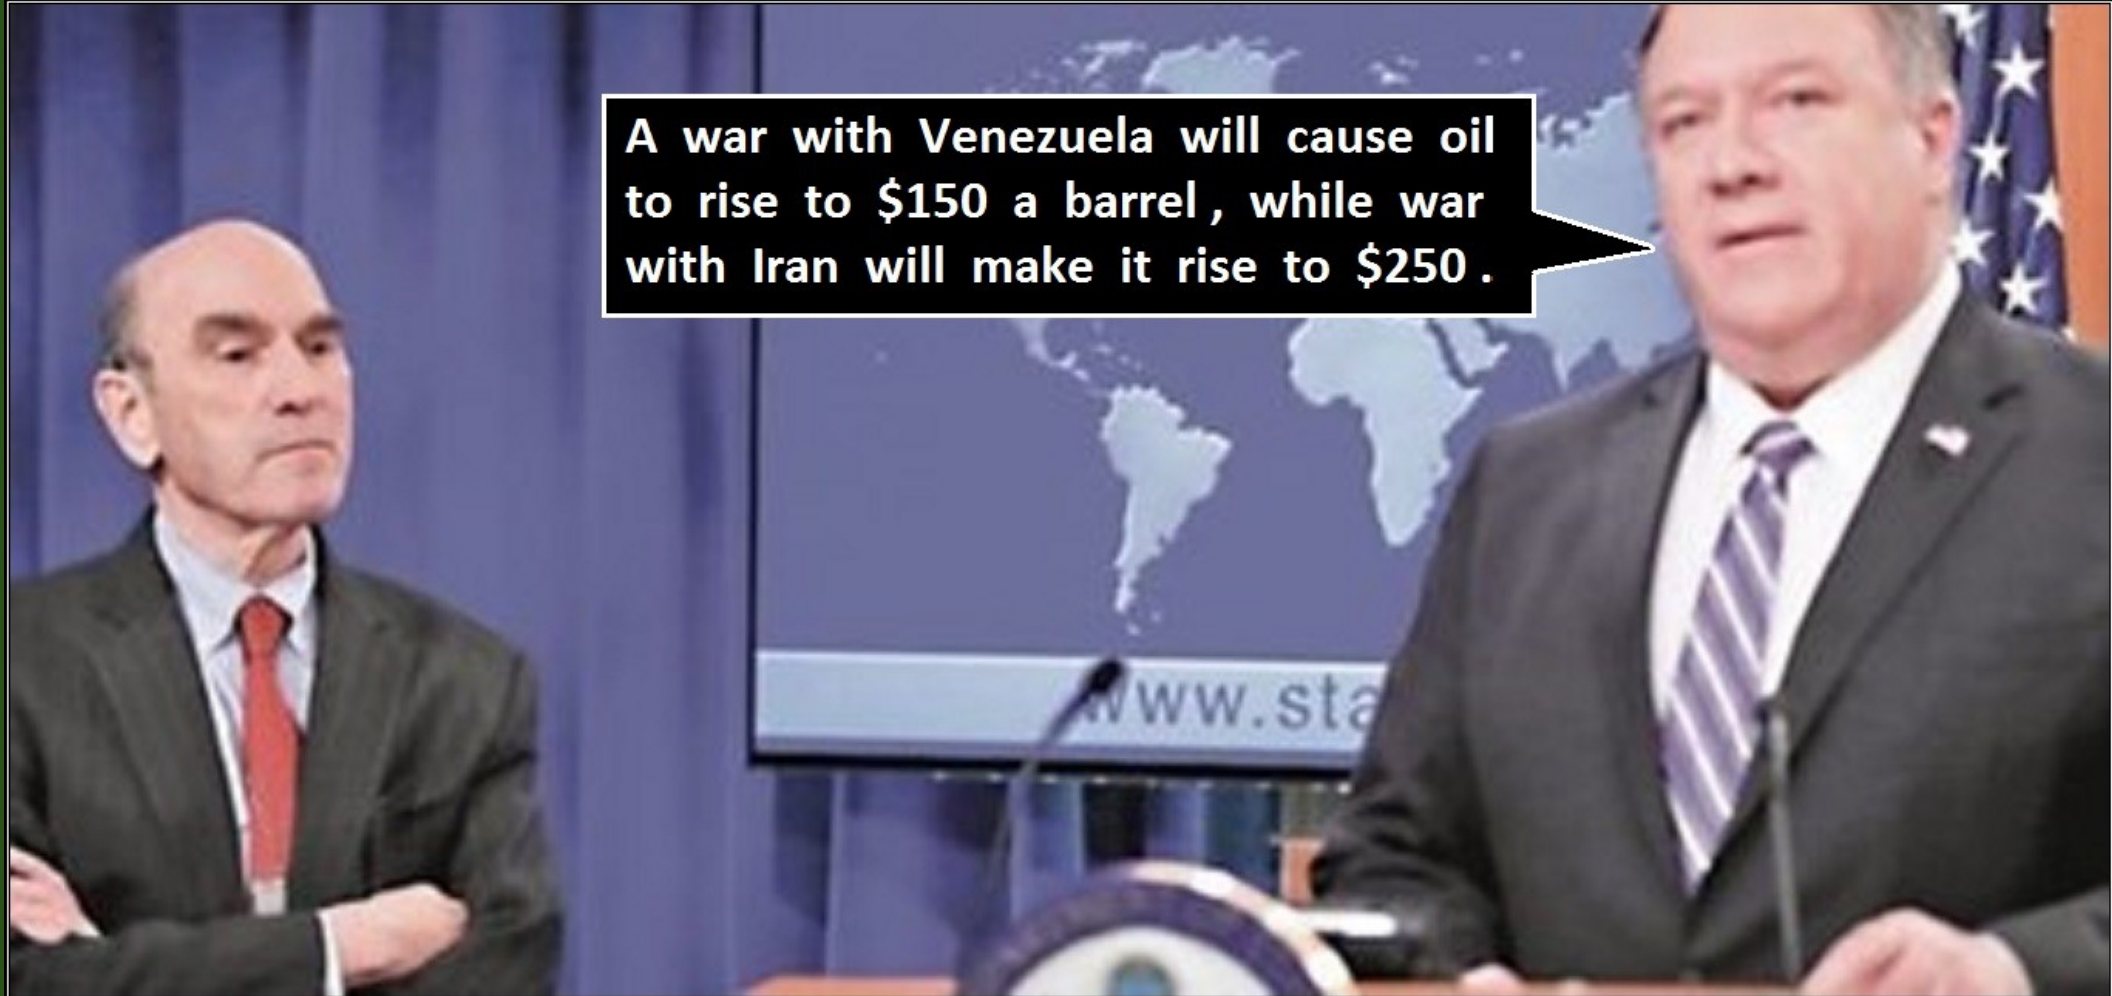

After President Trump's recent visit to Beijing , Chinese officials were pleasantly surprised to discover that he does indeed shit pure gold.

According to our latest intelligence from the Steele Vault Dossier 7 , Russian-trained dolphins carrying miniature Syrian barrel bombs attacked 4 oil tankers in the Hormuz Strait last week .

A war with Venezuela will cause oil to rise to \$150 a barrel, while war with Iran will make it rise to \$250.

While his Deep State remote operator Abrams keeps him on a short leash, Pompeo-puppet explains why war with Iran is vitally important to the American economy.

$$\frac{\text{TRUMP}-1}{\sigma \sqrt{2\pi}} e^{-\frac{(x-\mu)^2}{2\sigma^2}} + \frac{\text{FalseFlagRussianDolphins}}{\text{WWGAOCWGGaGa}+\#\text{OP}\sim}$$

= WAR WITH IRAN !

With advances in genetic engineering , we no longer need a steady supply of stem cells for our billionaire oligarchs , thus the very raison d'etre for liberal abortion laws is now kaput . And after we abolish ROE vs WADE , more white babies will be born , obviating the need for high immigration levels . In order to MAKE AMERICA WHITE AGAIN , we must put the kibosh on legal abortions . The more babies born by incest , the more docile and malleable we become as a people . So we will legalize incest & ban abortions 'cuz that's what we need - more stupid people .
